

Founded by Boston financial industry veterans in 2018, Boston Corporate Finance Community (BCFC) is composed of professionals from firms in the corporate finance, commercial banking, investment banking, private equity and specialty finance sectors as well as the trusted advisors who provide critical support. Collaboration, leadership and giving back are the hallmarks of this community.

This annual event benefits MORE THAN WORDS (MTW), a social enterprise that empowers over 300 young adults who are in the foster care system, court involved, homeless, or out of school to take charge of their lives by taking charge of a business. They manage two retail stores and an e-commerce platform selling new and used books, upcycled apparel and products manufactured by other social enterprises. The work experience, career skills development and critical life skills curriculum provide a path to achieve personal goals.
